From (Name) DR. S.R.U. SAVOOR, M.A., D.Sc.(Lond), I.E.S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.

Sir,

(1) 3-4

In their order No.MS. 303, Education, dated the 20th February 1947, the Government sanctioned an expenditure of Rs.900/- a year till the end of the school year 1947--48 on the provision of conveyance for the Gosha Pupils attending the Government Secondary and Training School for Muslim Women, Bellary. The contractor who was supplying the school with two carts for Rs.90/- a month, stopped the carts from 18th Jany. 1947 complaining of inadequate hire charges. The Inspectress reports that the attempts made to secure two carts for the sanctioned rate of Rs.90/- a month have been of no avail and that the cart owners demand a minimum hire of Rs.120/- a month for two carts (i.e. Rs.60/- a month for each cart). The Tahsildar of Bellary has stated that the rate of Rs.60/- a month per cart is reasonable according to the present market rate.

2. The expenditure on conveyance for the remaining portion of the current school year (from 20th August 1947 to 30th April 1948 or 8⅔ months) at Rs.120/- a month will amount to Rs.1,000. The proposal involves an additional expenditure of Rs.100 only in the current school year as there has been so far no expenditure on this account. In the circumstances I request that the Government may raise the limit of expenditure on conveyance in respect of the above school from Rs.900/- to Rs.1000/- for the school year 1947--48. The additional expenditure can be met from the funds available with me. The expenditure in the year 1948--49 will be Rs.1200/- at the rate of Rs.120/- per mensem for two carts. This may also be approved by Government.

3. As provision for the conveyance of Gosha girls has to be made from the date of re-opening of the school after the Ramzan holidays, I am permitting the Inspectress to engage two carts on Rs.120/- a month in anticipation of the approval of the Government.

The draft order overleaf may be accepted subject to the following remarks:- 27/8

The question whether conveyances should be provided to Gosha girls at Govt. cost is separately under consideration. It does not seem necessary now to provide in the expenditure for 1948-9 on the provision of conveyances for the Gosha girls in the school at Bellary. Finance may suggest that the D.P.I. may be asked to submit necessary proposals in this regard late on say in March or April 1948, if necessary.
